The Presbytery of Eastern Virginia requests that the Session of Bayside Presbyterian Church consider hosting a presbytery meeting in 2018. The tentative meeting dates are Saturday, January 27, 2018 at 10:00 am, Tuesday, April 24, 2018 at 1:00 pm, Tuesday, July 24, 2018 at 1:00 pm and Tuesday, October 23, 2018 at 1:00 pm. Over the years, Bayside Church has been gracious in hosting a variety of meetings.

The meetings normally require that at least 15 volunteers from the church to assist with the service of Communion, music at the worship portion of the meeting, registration, ushering, parking and refreshments. The Presbytery will give to Bayside Church a payment of \$500.00 in advance to cover the cost of refreshments.

The Presbytery appreciates your consideration of this request.

Faithfully yours,

Q. John Tamm,  
Stated Clerk

The complete list is posted and available to PEVA members and Elder Commissioners on the **PEVA MTG. DOCS** page of this website. The full packet will be available by Maundy Thursday, April 13. You'll want to familiarize yourself with them. Each voting member will receive a **paper ballot** upon registration. #### **Proposed Constitutional amendments from the 222nd General Assembly (2016)**

To be voted on by the 171 Presbyteries

16-A Child and Youth Protection Policy – This would amend G-3.0106 to add the words “and youth” to the required policy statement, so that the sentence reads, “All councils shall adopt and implement a sexual misconduct policy and a child and youth protection policy.”

16-B Parity in Committees – This proposed amendment to G-3.0109 specifies that the parity of members of committees of councils “higher than the session” will be made up of “teaching elders and members of congregations in numbers as nearly equal as possible.” This seeks to allow the membership make-up of committees to maintain parity but not be as restrictive as currently is worded.

16-C Ordered Ministry Titles – There are eight different proposed amendments that all deal in different ways with restoring the title, “minister of Word and Sacrament,” to generally replace the title, “teaching elder.”

- 16-C.1. Amending F-3.0202
- 16-C.2. Amending G-2.0102
- 16-C.3. Amending G-2.0301
- 16-C.4. Amending G-2.05 and G-2.0501
- 16-C.5. Amending G-2.0701
- 16-C.6. Amending G-3.0307

16-C.7. Amending both the Directory for Worship and the Rules of Discipline to replace “ruling elder commissioned to particular pastoral service” or “ruling elder commissioned to pastoral service” (commonly referred to as CRE or Commissioned Ruling Elder) with “commissioned pastor (also known as commissioning ruling elder), and to replace “teaching elder” with “minister” or “minister of Word and Sacrament.”

16-C.8. Amending W-4.4001a

16-D Relationship to the PC(USA) of a Person Who Has Renounced Jurisdiction of the Church – This proposed amendment seeks to address what was seen as a permanent ban on teaching elders who renounced jurisdiction in the middle of a disciplinary process from either being paid or volunteering to work again in the church, and would allow a former teaching elder to publicly face accusations which s/he had halted before as a step to possible reinstatement.

16-D.1. To amend G-2.0509

16-D.2. To amend D-10.0401

16-E Certified Service Requirements – This proposed amendment to G-2.1101, referring to people who seek a call to a certified position in the Church, deletes reference to a “handbook” of a national certifying body, relying instead on such body’s certification requirements.

16-F The Ministry of Members – This proposed amendment to G-1.0304 adds the phrase “caring for God’s creation” to the present list of ways in which a faithful member of a congregation seeks to be involved responsibly in the ministry of Christ’s Church.

16-G Access to the Lord’s Table – This proposed amendment to W-2.4011a and W-2.4011b urges sessions to encourage people who come to the Table for Communion to learn about the grace of God evidenced in Baptism, but would not require admission to the Table to be only for those who are baptized. (Note: If proposed amendment 16-H, which is the revised Directory for Worship, is approved, the wording in 16-G already would be included in the revised Directory.)

16-H Directory for Worship – This proposed amendment would replace the current Directory for Worship with a new Directory. Much like what happened a few years ago with the then-new Form of Government, this new version of the Directory for Worship has been condensed (from 7 chapters to 5 chapters), has been reorganized in ways that group common subjects together, and reflects the flexibility that the revised Form of Government provided to councils of the Church.

Enclosure (3): Church Policy and Procedure Reviews

The below table contains the policies and procedures currently in effect in Bayside Presbyterian Church. Note that there is a distinct difference between a policy and a set of procedures. Policies reflect Session or Corporation directed processes. Procedures are written where guidelines only are required to maintain awareness of a routine process that may from time to time be changed, for example Food Pantry or Lay Reader Procedures. Policies and procedures both serve as the approved processes for conduct events within the church and provide guidance for the church officers, Ministries, congregation members as well as non-members in the conduct of routine business or events in our church. These documents are currently available on the church website or in hard copy in the office for reference.

All policies and procedures are approved by the Session. Regardless of the current content, the existing policies are the approved versions and must be kept current if they are to be of value. If they are thought to be out of date, the policy and any decision recommended that is not in accordance with the policy must be approved by the Session as “an exception to policy”. When updating a policy, the final draft should be reviewed by the Ministry and other involved congregation members by way of email correspondence or at a Ministry meeting. The final policy will be presented to the Session for approval.

While a policy may not be able to address every possible situation, it should be encompassing for normal operations in the church. Exceptions to policy, anticipated that they will be kept to a minimum, must be addressed and approved by the Session. A statement regarding the process for requesting an exception to policy should be included at the end of every policy document.

Each of the below policy or procedure reviews should be included as a standing agenda item for each Ministry meeting until they are current. The status of the reviews should be included in the monthly Ministry minutes.

**Subject:** Re: Session Webpage Update

Doug, would you do me a favor at the next Session meeting?

Lately we have been getting 550-650 hits per week on the site. I think that is a lot and it is a good sign.

But it is really important to keep it updated, and I can't do it alone. It would be so helpful if Session Members and Staff would visit the site often, look at parts that pertain to them or their committees, or just look at it generally and offer updates or suggestions.

I also really need to update pictures - so if anyone has more recent pictures that would be great.

Our website is an important part of our mission. It is what the younger people use now for information.

Thanks.....

Mary
