Rev. Dr. David Rollins

In order for us to strengthen our 2020 vision efforts I am attaching a rubric (enclosure 4) that will help us as we seek to add and implement additional goals. I encourage you to be thinking about specific goals we can add as well as action steps to accompany the goals. Ed Spillman has done over 50 interviews and will be sharing his results in the near future. I believe it will offer us some concrete action steps to include in our planning. I am excited about the number of visitors we have had recently as well as those that have expressed an interest to join. Thanks so much for all you do I am honored to tell people Bayside is the church where I serve.

Reverend Dr. David Rollins
Bayside Presbyterian Church
1400 Ewell Road
Virginia Beach, VA 23455

Dear Dr. Rollins:

Thank you so much for allowing the Virginia Beach History Museums to use a section of the parking lot at Bayside Presbyterian Church during our grand opening celebration for the Thoroughgood House Education Center on May 18 and 19. Please accept the enclosed donation as a token of our gratitude.

We are excited about our new facility and hope that you and your parishioners will join us on opening weekend. We will have family-friendly activities on both days from 10 a.m. until 4 p.m., including early American toys and games, mock archaeological digs, visits with Revolutionary War re-enactors, tours of the historic Thoroughgood House, and more.

If you have any concerns or feedback, please contact me by phone at 385-5100 or via email at amiller@vbgov.com. Again, we appreciate your help with our event.

Sincerely,

Anne Miller
Manager, Virginia Beach History Museums

Enclosure (5): Church Policy and Procedure Reviews

The below table contains the policies and procedures currently in effect in Bayside Presbyterian Church. Note that there is a distinct difference between a policy and a set of procedures. Policies reflect Session or Corporation directed processes. Procedures are written where guidelines only are required to maintain awareness of a routine process that may from time to time be changed, for example Food Pantry or Lay Reader Procedures. Policies and procedures both serve as the approved processes for conduct events within the church and provide guidance for the church officers, Ministries, congregation members as well as non-members in the conduct of routine business or events in our church. These documents are currently available on the church website or in hard copy in the office for reference.

All policies and procedures are approved by the Session. Regardless of the current content, the existing policies are the approved versions and must be kept current if they are to be of value. If they are thought to be out of date, the policy and any decision recommended that is not in accordance with the policy must be approved by the Session as “an exception to policy”. When updating a policy, the final draft should be reviewed by the Ministry and other involved congregation members by way of email correspondence or at a Ministry meeting. The final policy will be presented to the Session for approval.

While a policy may not be able to address every possible situation, it should be encompassing for normal operations in the church. Exceptions to policy, anticipated that they will be kept to a minimum, must be addressed and approved by the Session. A statement regarding the process for requesting an exception to policy should be included at the end of every policy document.

Each of the below policy or procedure reviews should be included as a standing agenda item for each Ministry meeting until they are current. The status of the reviews should be included in the monthly Ministry minutes.
