CHURCH HISTORY

MEET OUR MISSIONARIES: The Reverend & Mrs. Thomas W. Foley
 Steven, 15 Donna, 13
 Kitty, 5 Timmy, 4

The Foleys first visited with us at one of our Family Night Suppers in February, and entertained us with their talents and friendship. They were, at the time, studying at the Seminary to prepare themselves for further work in Recife, Brazil, where Reverend Foley is a Professor at the Seminary of the North teaching church music, Christian Education, and Pastoral Theology. He has also served as dean and director of the Seminary. Mrs. Foley teaches music at the local American school, sings in the choir, and teaches Sunday School to fill a busy schedule. "Tom" is particularly talented with the guitar, and uses it a great deal in his ministry, we certainly appreciated his playing for us. It was unanimously agreed that we agree to assist them financially and prayerfully in their work and "adopted" them as our own. May the Lord bless and keep them in their carrying the Gospel to others. There have been several later visits with them this year, and Reverend Foley shared the pulpit with Reverend Hutcheson on one occasion.

*With love to
Historian*
