

Bayside Presbyterian Church  
1964  
Pioneer Fellowship

Advisers: The Parents

The Pioneer Fellowship has had an active and good year. Officers were elected twice during the year. The average attendance was 25.

The Pioneer Fellowship gave a wall clock for our new Social Hall. They collected stamps to purchase new games.

Thomas L. Johnson, a student of Union Theological Seminary in Richmond, showed slides on his journeys in Europe.

In April Miss Helen Tannehill spoke and showed slides on her work as a missionary in Mexico.

During the summer, members of the Pioneer Fellowship painted the nursery furniture for our new church, made posters for the library, and assisted in the Vacation Church School.

In the fall, members of the fellowship helped serve at our Loyalty Dinner.

Social activities were varied, including swimming parties, box suppers, and a Christmas supper and party at the Murrays.

They attended "The Messiah" in the Shepherd Center auditorium at Virginia Beach.

A letter of thanks was received from Miss Helen Tannehill, Missionary to Mexico, for the attractively arranged box of Christmas cards which brought much joy and added brightness to the dull Mexican houses. Most important of all was the message they imparted.

Special appreciation is expressed to Mrs. Betty Marlowe, Mrs. Douglas S. Murray, and Mr. and Mrs. Frank W. Hudgins for their faithful work and help with this fine group of young people.
