

Bayside Presbyterian Church
1965
Men of the Church

Officers: Wm. N. Stokes, President
Paul F. Goodman, Vice-President
Loren H. Humphrey, Secretary
Thomas A. Moore, Treasurer

The Men of the Church continue to be busy, assisting in every way pertaining to the many needs of our new church building and grounds.

They are continuing to provide subscriptions to the Presbyterian Survey for doctors' and dentists' offices, barbershops and beauty shops in this area.

On March 2, the Men of the Church contributed \$25.00 to Bill Casper, who had been chosen to participate in a national tour of an All American High School Choral Group.

On September 14, it was decided to spend \$100.00 on tiling one classroom and \$100.00 was set aside for decorating the ministers' study.

The programs were varied and interesting. Discussions after film strips also added to the interest of the meetings.

Color slides of Maine in Winter, and Iceland, were presented with a running commentary by Mr. Benschop and Cdr. Douglas S. Murray.

The interior and the exterior of our new church has been greatly improved through the year and we are grateful to the Men of the Church for their dedicated services in so many ways during the year 1965.
