

BAYSIDE PRESBYTERIAN CHURCH
1968
MEN OF THE CHURCH

President: Mr. William Welch
Mr. Robert Berry

During the year 1968 our Men of the Church held several meetings with the young people and Women of the Church, with the thought in mind to share our ideas and to bring about a closer Christian understanding as Church families. Slides and film were used to compare way of life in other lands. Our Summer programs consisted of cook-outs and recreation. We co-sponsored a Square Dance with young people and the Women of the Church. We also sponsored a Church Basketball Team and Boy Scout Troop #364, and promoted recreation on our church lawn for our young people.
