

The book of Psalms represents a rich tapestry of prayer and praise. Some psalms reflect a texture of deep despair, others glow with a deep peace of the Lord's strength, and still others bubble with an exuberant exaltation of the Most High God. They cover a wide range of human emotion and experience. What they all have in common is prayer, a reaching out to God from every imaginable experience.

The psalms for this Lenten season are incredibly rich. As poetry, these psalms are full of sights, smells, tastes, touches and sounds. They are a great launching pad for engaging all of our senses in worship.

Come and be part of our Lenten Prayer Stations. During each week of Lent a new prayer station will be added.
