Adult Study

"Inspired" by Rachel Held Evans

Begins Wednesday, September 18th 6:00 pm

If the Bible isn't a science book or an instruction manual, then what is it? What do people mean when they say the Bible is inspired? When Rachel Held Evans found herself asking these questions, she began a quest to better understand what the Bible is and how it is meant to be read. What she discovered changed her—and it will change you too.

Books will soon be available in the church office.
