Our Church School is using all available space including the kitchen. We have tried having the 4th, 5th and 6th grades meet together each 3rd Sunday to sing and see film programs. We find that these grades enjoy singing.

Vacation Church School

Mrs. Wm. N. Stokes, Director
Mrs. J. R. Roughton, Jr., Co-Director

Vacation Church School was held for eight days during June with 231 children attending.

One of the outstanding events was the 24 Pioneers who studied similarities of religions and found it so interesting that not one missed a day. They visited the Jewish Synagogue, the Catholic Church, the Lutheran Church and other churches. The Rabbi, Priest and Ministers took time to speak to them in the various churches. The unusual thing was the interest shown by the Pioneers.

We express sincere appreciation to all workers of our Vacation Church School. It was a wonderful school and we look forward to a bigger one in 1967.
