Officers: Barbara Stokes, President
Pat Flickinger, Vice-President
Debbie Phillips, Secretary-Treasurer

The above named officers were elected in the summer of 1966. During the course of that year we studied, with the help of many filmstrips, all the things that make a person what he is. We also studied a book entitled "Pressure"; this book defines the word pressure and teaches the reader ways to control it.

Our projects during that year were as follows:

1. At Christmastime (1966) we made stuffed toys and took them to an infants' home.
2. In the Spring we made cookies and sent them to Vietnam. We received many thank-you notes from recipients.

When Mr. Hutcheson came, we decided to reorganize the groups; this was done as follows:

1. There would be a council made up of:
 - a. President: Rhonda Glass.
 - b. Vice-President: Ann Gray Jones.
 - c. Secretary: Mary Hutcheson.
 - d. Representative to Planning Comm: Anne Hill.
 - e. Two representatives from each group, the groups being divided as follows:
 - (1) grades 7 and 8;
 - (2) grades 9 and 10;
 - (3) grades 11 and 12.
- Each group was to elect its own officers.
