Rise Against Hunger:

On March 22nd Bayside held its annual Rise Against Hunger event. It was a tremendous success with more than 90 adults and 17 children participating in the packaging of 20,000 meals to send to those in need. This year's donation of meals brings Buyside's total for meals over our historical participation to nearly a quarter of a million meals. We are thankful for everyone's help in this international hunger relief program that distributes food and other aid to people in developing nations. This outreach mission all starts with a meal and once a year the meals start here at Bayside.
