Things are busier than ever. As always I appreciate and welcome the partnership in working on these different projects. I look forward to celebrating the Risen Christ with you all in a few weeks!

Joyfully,

Emma

Pastor / Head of Staff

Rev. Dr. David Rollins

Since we met in February I have 20 pastoral visits, some of those have been in the office and the others were mainly at hospitals, and rehabs. I have been teaching *Holy Solitude*, which has helped me personally on my Lenten journey. I opened the city council meeting with the invocation, attended a retirement seminar, and enjoyed leading worship with John McCall and Emma. It has been a full month and I am really looking forward to Palm Sunday, and our Easter celebration. I continue to consider it an honor and privilege to serve Christ in this place.

# Enclosure (3): Church Policy and Procedure Reviews

The below table contains the policies and procedures currently in effect in Bayside Presbyterian Church. Note that there is a distinct difference between a policy and a set of procedures. Policies reflect Session or Corporation directed processes. Procedures are written where guidelines only are required to maintain awareness of a routine process that may from time to time be changed, for example Food Pantry or Lay Reader Procedures. Policies and procedures both serve as the approved processes for conduct events within the church and provide guidance for the church officers, Ministries, congregation members as well as non-members in the conduct of routine business or events in our church. These documents are currently available on the church website or in hard copy in the office for reference.

All policies and procedures are approved by the Session. Regardless of the current content, the existing policies are the approved versions and must be kept current if they are to be of value. If they are thought to be out of date, the policy and any decision recommended that is not in accordance with the policy must be approved by the Session as "an exception to policy". When updating a policy, the final draft should be reviewed by the Ministry and other involved congregation members by way of email correspondence or at a Ministry meeting. The final policy will be presented to the Session for approval.

While a policy may not be able to address every possible situation, it should be encompassing for normal operations in the church. Exceptions to policy, anticipated that they will be kept to a minimum, must be addressed and approved by the Session. A statement regarding the process for requesting an exception to policy should be included at the end of every policy document.

Each of the below policy or procedure reviews should be included as a standing agenda item for each Ministry meeting until they are current. The status of the reviews should be included in the monthly Ministry minutes.
