**Attendees:** Steve Baker, Clifton Furedy, Ben Hubbard, Eugene Towler, Rick Rudell and Paul K. Verburg

**Opened Meeting** with Prayer at 7:00 pm following a meeting with Ministry members led by Rev. Dr. David Rollins.

**Building Security Status:**

1. Rick Rudell led a discussion on the Bayside Presbyterian Church Facility Use Policy, Facility Request Form and the Card Access System. Final document suggestions will be made and the documents will be attached to the July 5, 2022 minutes provided to the Session.

**Active Projects:** There are currently no ongoing active construction or maintenance projects on the Church premises at this time.

**Maintenance Updates:**

1. Plumbing: A drain in the youth bathroom was fixed.
2. HVAC: No issues at this time.
3. Roof Leaks: A cap has been replaced on an air conditioning unit drain. Hopefully, this will solve the flooding in the Church.
4. Kitchen: No issues at this time.
5. Painting: No projects at this time.
6. Plaque-Leslie Parr: Waiting on family members concerning the wording.
7. Plot Assignment Program: The official promotion ended resulting in 3 new volunteers.
8. Prayer Garden: Removal of the trellis will be done when the bees are gone in the fall.
9. Sprinkler system: The repair work has not been scheduled yet.
10. Budget: Work in process.

**Other Matters:**

1. Honey Bees: Eugene is going to contact a company about the removal of the Honey Bee hive. The bees have returned to their original nesting spot.

**Closed Meeting** with Prayer at 8:16 pm.

**Next Meeting:** August 2, 2022
