The Pioneer Fellowship had a profitable year under the leadership of Mr. and Mrs. Hudgins.

Every other month this group gave five dollars to the church's building fund.

Members attended the Pioneer-Senior-High-Fellowship rally at the First Church, Virginia Beach, in the spring.

Social activities were varied. A scavenger hunt on Halloween was one of the high lights.

Members studied and helped with the Vacation Church School, serving refreshments, supervising recreation of the younger children. Attendance was from 20 to 25. It was a rewarding year for all.
