The Men of the Church have had an exceptionally busy year, moving the equipment from the old church into our new church, cleaning, painting, work details, planting and giving of their time and effort in every way to assist the Building Committee and serving in other vital matters pertaining to our new church.

The Men of the Church sponsor Boy Scout Troop No. 364.

Subscriptions to the PRESBYTERIAN SURVEY are provided by the Men of the Church for doctors' offices, barbershops and beauty shops in the area.

Men of the Church have earmarked \$100.00 of their funds for memorial plaques on the pews in the sanctuary.

At their regular meetings the Men of the Church have had excellent speakers. Some of the highlights of the year were slides and travelogue by Mr. Wm. H. Hiatt and a very rare collection of butterflies assembled by Col. Stanley Nicolay, USMC. In the summer it is customary to have cookouts. In the fall, winter and spring, meetings are held at the church.
