Mrs. Joseph C. Clark, Sr., known to all of us as Sally, grew up in a Baptist Church in Knoxville, Tennessee. After her marriage she continued to be active in the Baptist Church in Atlanta. She was President of the Humphries School P.T.A. at Orchard Knob, outside of Atlanta. After moving to Norfolk in 1941 Mrs. Clark attended Central Baptist, and later Norview Baptist, where she became very active in Sunday School.

In 1958 Mrs. Clark and her family began attending Bayside Presbyterian Church, and joined in 1960. It has been a great joy having Mrs. Clark serving so faithfully in the Women's work and Sunday School. She has been Secretary of the Covenant Life Curriculum Class for a number of years. Mrs. Clark will always be remembered for her dedication to the Prayer Group, for her work as telephone chairman, Circle card chairman, and for her many long hours serving as scrapbook chairman. Her devotion and skill in this project will always be admired by each of us here at Bayside. She shows by word and deed that she truly loves her church.

Mrs. Clark not only has been active in our church, she also is interested in her community and city. She sent her design and letter suggesting the use of the historic Cape Henry Lighthouse which was accepted as the Symbol for Virginia Beach. We are proud of her.

Sally, in behalf of the Women of Bayside Presbyterian Church, it is a privilege and an honor to present to you this pin and Honorary Life Membership Certificate in the Women of the Church, Presbyterian Church, U.S.
