

BIOGRAPHICAL SKETCH

Jack and Evelyn Tefft (our own Brum) joined our Church in 1973. They had formerly worshipped our Lord in Navy Chapels located wherever Jack was serving at the time.

Some of us, sometimes, having a nagging suspicion that maybe something in us, way down deep, might really rather reign in Hell than serve in Heaven, -- like Lucifer.

Brum would far rather serve. She has just completed her term as President of our WOC. She served for two years as Vice President and a year as President-Elect. Brum has taught in our Vacation Church School, and taught 5th and 6th grades in our Sunday School for several years, circa 1974-75.

Her service includes our participation in the Meals on Wheels Program. Mrs. Tefft has served as a volunteer at the Boone Clinic for some years. She is a strictly no-nonsense lady, and a Christian without flourishes. As WOC President, she demanded more of herself in every respect than she asked of others.

Brum, in behalf of the Women of Bayside Church, it is my honor to present you with this pin and Honorary Membership Certificate in the Women of the Church, Presbyterian Church, U. S. A.
