The Senior High Fellowship has been a very active organization and Fellowship under the able guidance of Mr. and Mrs. James W. Sands.

The first Sunday of each month was designated as Fellowship Day, to meet at a member's home, after the regular meeting.

During the year the programs were varied and interesting:

In January several members attended the "World Mission Rally" at the Center Theatre.

In February a series of lectures were given by special speakers, on "Vocations", "Preparing for a Future Job", "Missionary Work" and "Becoming a Lawyer."

In March, Renee Diederichs, an exchange student from France studying at Union Theological Seminary in Richmond, spoke on the differences in the Reformed Church in France and the Presbyterian Church in this country. After the meeting, Renee joined the Senior High Fellowship for their Fellowship hour. It was fun to learn some of the French games.

In April, Commander Hansen spoke on "The Resurrection". Members joined with other young people's groups in the area for an Easter Sunrise Service.

Officers were elected in May, to be installed in the Fall; and \$10.00 was allotted toward sending two officers to "Leadership Training School" at Massanetta.

Mrs. Sands, Gayle Moore and Karyle Morgan attended "Leadership Training School" from July 8 through 13, - the first delegates from our Youth group to attend this School.

In August, Mr. and Mrs. Sands and Gayle Moore attended the Senior High Fellowship Convention, August 10-12, at Massanetta Springs.
