

Bayside Presbyterian Church
1966
Youth History

In the past year the Youth Group has increased from about 10 to 15, to 20 members, under the able leadership of Barbara Stokes, the President.

During the year the group has attended several religious and very good movies. One of these was "The Gospel According to St. Matthew".

During the Christmas Season, several stuffed toys were made and taken to St. Mary's Infant Home in Norfolk.

One of the outstanding things is that the Youth Group voted to start the study, "Learning Together in the Christian Fellowship" by Sara Little.

Barbara has worked hard and faithfully. She has made a real contribution to the Youth Group and the Church.

Barbara Stokes, President
